In our Worship we have been thinking about wisdom and talking about how Jesus was wise enough to see the true value of the widow's coins at the temple (Luke 21:4). Can your child say whether they would rather be wise or clever? Why?

15th June 2018

Sports Day a Winner!

Thank you to all parents who came along on Sports Day despite the blustery weather! It was an excellent opportunity for the children to work together but also take part in some friendly competition and having an audience always makes it more fun. As you may know, the school was inspected under SIAMS on the day of Sports Day. This is an inspection of the school's Christian character by representatives of the Diocese. Seeing the children supporting each other at Sports Day certainly helped to demonstrate our values in action! The inspection went well and the report will be published soon.

Online Payment for School Dinners

I am delighted to announce that we have finally been able to introduce Caterlink's online payment system for school dinners. A letter came home earlier this week containing your child's unique ID for the system. Parents can use this ID to register at https://meals.caterlinkltd.co.uk/meals/sign_in for school dinners at Bodsham and make payments from Monday 19th June. Obviously we will continue to accept cash payments as usual. Please bear with us through any teething troubles as we get this system working – I am sure it will make everyone's life easier in the long run!

Local Author Visit on Monday

Bodsham will be visited by award-winning local author Andrew Clover on Monday. His book Rory Branagan (Detective) is flying high in the book charts and I hope his visit will inspire our children to write their own amazing stories. There will be an opportunity to buy signed copies of his books on the day.

Just Giving for Bodsham Bungee

The time for Ms Lawson to jump, in aid of charity, from a great height with nothing more than a thick elastic band to save her grows ever closer. If you wish to sponsor her in this event please use the following Just Giving page: <https://justgiving.com/crowdfunding/hayley-lawsonbonkersbungee> or the sponsor form that came home before half term.

After School Club Bookings

As you know we are running the Bodsham Active Club this term to gauge demand for wrap around care. If you would like to book your child into the club, which runs until 5.30pm every day, please call Elite on 07885982598 or email elite_office@aol.co.uk

Unwelcome Visitors in Year 1

Just a final note to let parents know a case of nits has been found in Robins class. Please check your child's hair and deal with any unwelcome visitors promptly. Thank you!

Yours Sincerely
Paul Newton
Executive Head Teacher
