Bodsham Church of England Primary School

Federation of

Saltwood Church of England Primary School

We have been talking to the children about Ascension and Pentecost. Not everyone will know what these words mean, but we have explained how important they are to Christians. At Pentecost, the disciples received the Holy Spirit. Christians believe it gave them the power and the confidence to carry on the work Jesus started.

Well Done Year 6

I have been very proud of our Year 6 children this week. They tackled the SATs with a very mature attitude and I know they all gave their very best. Well done! Parents will receive the results of these tests with the end of year reports due in July. Now they've got the SATs out of the way, it's time to start work on getting ready for transition to secondary school. One way we help our Year 6 children build confidence is to ask them to put on a show. Mrs Allen has revealed the title of the production today (the children are trying to keep it a secret!) and is starting the casting process soon. The performance will be at Evington Hall on 17th July. Put the date in your diary!

Can You Help Restore Our Pond?

Our PTFA are hoping to make a big difference to our outdoor provision over the coming months. As well as a project to enliven the playground, we would also like to improve the access the children have to our beautiful school pond. We need to build a wooden platform at the pond's edge that will allow the children to safely take part in pond dipping activities. Are there any practically minded parents with woodwork skills who think they might be able to help with this project? If so, the PTFA would love to hear from you! Please contact us via the school office.

Roman Art Day

Following their visit to Richborough Roman Fort a few weeks back, the Woodpeckers have had an amazing day studying the features of the Roman Arch that was the Gateway to Brittania. They have created some exceptional drawings, and designed and built their own Roman Arches from boxes, using key features such as columns, pilasters, and mouldings. Their focus and attention to detail was incredible. More photos coming soon on our website!

School Photographs Next Week

Just a quick reminder that Kittle Photographers will be in school on Wednesday to take the annual class photograph. Full school uniform on that day please, including a Bodsham jumper or cardigan!

Spring Sing

We hope you will join us next Friday 24th May for our annual Spring Sing where the school have the opportunity to showcase the music they've been learning this term. This gives our pupils confidence and a chance to shine musically. Do come along with friends and family at 2.30pm on the playground, where our PTFA will be serving refreshments and offering some games, so please bring your pennies. Fingers crossed for fine weather!

See our flyer below for upcoming events in term 6.

Have an enjoyable weekend!
