Hi girls and boys, mums and dads, I hope you are all well and have enjoyed some of the learning tasks last week. I have enjoyed seeing your tasks on Mymaths. I am using a different resource this week but you know you can access Mymaths anytime. This week, the resources you need are on TWINKL. You can access these free resources without needing to register or log-in to the site. It would be helpful (but not essential) if you could print the Spring Maths Activity booklet. If you have any difficulties finding this, let me know and I can email what you need.

If you want to do more work, or you enjoy a puzzle, you might like to work through 'The Mystery of The Missing Shield'. This could be fun to do together as a family.

I hope you all have a lovely Easter. Please email photos of any work you are really proud of to me:
